Noordwijk, 8 December 2020

## Certificate of Attendance

This is to certify that **Nuria Alvarez Crespo**, ESA Research Fellow, has attended the 13<sup>th</sup> ESA SCI Science Workshop that was organised in virtual format from 1 to 3 December 2020.

She participated in the workshop with the following contributions:

- A talk by Andrew Lobban, William Alston, Nuria Alvarez & Zsofi Igo: **Accreting black holes seen through XMM-Newton**
- A poster presentation: **Environment of a sample of AzTEC submillimetre galaxies in the COSMOS field**

A blue ink signature, likely of Erik Kuulkers, written over a faint circular stamp.
